CELEBRITY HAIR SALON ANGELO DAVID CELEBRATES DOUBLE ANNIVERSARY AS A LEADER IN COUTURE HAIR

The Angelo David Salon, New York City's leading luxury hair salon for Couture Hair, is celebrating 15 years of hair miracle working, coinciding with the one-year anniversary of its new Madison Avenue location. Owned by world-renowned stylist and thinning-hair expert Angelo David Pisacreta, it has long been the premier New York destination for high-quality, luxury solutions to thinning hair, including highly-customized human-hair extensions, additions, fillers and wigs.

Pisacreta and his team of exceptional beauty specialists are known for "The Consultation", a highly customized treatment plan that takes into account the specific desires and lifestyle of each client. In addition to Couture Hair extensions, fillers and additions—which are made from 100% human hair and designed on-site to match each client's hair texture, type and color—the team offers a full range of treatments, including cuts and hair color, anti-aging hair solutions, manicures, makeup application, and beauty and bridal services. The salon also offers a range of temporary and semi-permanent Couture Hair accessories, such as Couture bangs, Couture ponytails and Couture topper volumizers. Additionally, Pisacreta recently helped develop and launch Hair Detox, an all-natural herbal supplement for hair, skin and nails that supports their health and growth.

The modern, highly specialized 2,500 sq. ft. salon was designed by renowned interior designer Michele Pelafas and boasts seven private "VIP Hair Suites," as well as a Hair Extension Styling

Bar, a Beauty Concierge Department, a Beauty Lounge and a Couture Hair Boutique, where clients can find inspiration in all the latest hair styles.

Angelo David Salon offers all the services you need for a complete, couture look that's customized for you.
